2023 BOROUGH BUDGET STATEMENT

TO: Jenkintown Borough Council, Mayor Gabriel Lerman

FROM: George Locke, Borough Manager

RE: 2023 Borough Budget

DATE: December 7, 2022

The 2023 Budget Statement illustrates the current financial condition of the Borough Funds which are not unlike many other smaller Municipalities at this time. The 2023 Borough Budget represents a funding plan of action to restore or continue the operations and projects that are critical for maintaining quality of life for all residents and visitors to Jenkintown Borough. The Committees, Volunteer Groups, Operations and a few of the Grant subsidized projects supported in the budget include; the Environmental Action Committee, Shade Tree Commission, Jenkintown Youth Association, Town Square / Cedar Street Park projects, HIWAY Theater, Jenkintown Library, Recreation Board, Paving project, Extension of School Safety Zone, York Road Safety plan, ADA accessibility ramp program, storm and flood water mitigation, and PaDep recycling grants.

You will recall in 2021, as the Pandemic unfolded Council took decisive and innovative action to achieve their stated goal of not raising real estate taxes at that time. Included in the proposed 2023 budget are the continued returns of the diverted millage and repayment of the transferred monies from those successful actions. Returning diverted tax millage to the [04] Fire equipment Fund in the amount of .01 mills and [20] Debt Fund in the amount of .06 mills. *(Leaving .44 mil to the [04] Fire Equipment Fund still diverted due to the 2021 exercise.)*

Planning meetings for the 2023 Budget began with Department Head meetings in July and Public workshop meetings in October of this year and were undertaken by Professionals with a strong sense of responsibility and commitment. Comparison and elimination exercises on proposed projects, expenses and careful estimation of possible revenues took place. As the largest fund that contains the lion share of operations, it was readily apparent that the [01] General Fund could not be balanced with the current dedicated millage allocated.

The largest portion of the Borough Budget [01] General Fund revenues are generated from Real Estate Taxes paid by Residential and Commercial Property Owners. Montgomery County Real Estate Assessment of Jenkintown Borough overall is down \$1,095,750 from 2022. There remains one unresolved re-assessment case before the courts since 2021. Because it is on a large Commercial property, a multi-year retroactive payment will result if an assessment reduction is ordered and could possibly be a six-figure payment for the Borough. The Court is expected to rule on this case in early 2023 and the Borough has sufficiently budgeted with this possible settlement in mind.

The next largest portion of the Borough Budget [01] General Fund revenues are generated from the Act 511 Taxes, which are mostly paid by Businesses, Employers and Commercial Property Owners.

Those revenues had been decimated by the COVID-19 worldwide pandemic that struck in 2020 and the Borough has been negatively affected further in this category by several large businesses moving from the Borough. While the 2022 - Act 511 total will be approximately \$190K more than the 2021 Act 511 total, it still included a portion of the taxes from the vacated businesses (shared 50/50 w/JSD) which will no longer be submitted in 2023. The Tax Administrator, Berkeheimer cautioned the Borough should expect to see a decrease in 2023 BPT revenue of up to \$125K due to past due payments that were made in 2022 and one time payments by Contractors. BPT taxes are estimated and paid the year in advance and for that reason there is caution that some businesses could file for a refund on overpaid taxes, another piece of the fiscal turmoil cause by the pandemic.

It should be noted that the [01] General Fund is projected to end 2022 with a fund balance of \$188,972. There will be a few large invoices typically paid in December that will be paid in January 2023, including but not limited to the Jenkintown Police Department 'Contract Option' annual sell back of unused sick time (approximately \$70,000).

In addition to the loss of tax revenue, the legal settlement between the Borough and Wells Fargo Financial, returning a portion of the tax money they had improperly paid to the Borough over many years began in 2021, creating a new expense in the amount \$92,400 annually for five years, expiring in 2025. This amount is equal to .34 mills of General Fund millage and this portion of an increase could be re-evaluated when this debt expires.

The Borough was fortunate to be allocated \$462,637.92 through the American Rescue Plan Act of 2021 and that was shown as revenue in the [01] General Fund in two equal parts in July of 2021, and again in August 2022. Those Federal ARPA funds were vital in assisting to close our Budget shortfall, they have been accounted for and reporting began in April 2022. Please note that the ARPA funds are not available in the 2023 Budget.

2023 Budget - [01] General Fund – projected budget deficit of approx. \$72K at current millage rates is overcome by *Tax millage increase of .9 mill (generating \$251K)*. This is recommended due to obtainable goals and sustainable nature of remedy factors; millage increase to cover rising expenses, eliminating fund balance deficit, creating contingency for expected incoming expenses, returning fund balance to acceptable government accounting standards and creating more sustainable future expenses. This action will leave the 2023 General Fund with a projected Fund balance of \$174,357.

[09] Solid Waste Fund - This Fund does not receive Real Estate millage. The expenses should be covered by the revenue (fees charged). Currently the [09] Solid Waste fund is projected to end the 2022 year with deficit of approximately \$53,000. This is due in part to a significant increase in the contract in 2022 as well as the accumulation of delinquent accounts. The Borough has performed a comprehensive review of all delinquent accounts and initiated a computerized collection program in hopes to capture those delinquent funds which will assist to stabilize the Fund. **As a result of the information provided above the solid waste annual fee will need to be set at \$400 for the 2023 Budget.**

Public Safety and Emergency Services play a key role in the 2023 Budget. Chief of Police T. Scott brought significant experience to the budgeting process this year working with Borough Administration to improve tracking of finances and accounting including an electronic scheduling software and a realistic treatment of Police Department overtime by accurately dividing the overtime hours into several specific categories for accounting and budgeting purposes. The budget also has new categories added for emergency management training and communications that did not exist previously and upgrades to previous categories such as Police Department training, IT and Security.

[101] **General Fund** – 410 – Police Department. Improvement/upgrades. Scheduling system, body worn cameras, vests, training, re-organization, hybrid patrol vehicle, technology services, computer system, parking enforcement technology.

[03] **Fire Protection Fund** – the four annual budgets that comprise this fund are submitted by the Fire Chiefs and Presidents of both Pioneer and Independent Fire Houses. The budgets which include expenses for the operations and fire house expenses exceeded the amount the current tax millage collected requiring an increase in millage in the Fire Protection Fund of .08 mills, which will address the increased expenses requested in the budgets presented.

[10] **Ambulance Emergency Services** – the 2023 budget creates for the first time the ‘Ambulance Emergency Services Fund’ with a dedicated tax millage of 0.050 mills, that will ensure the funding is in place to assist in providing the residents, property owners and visitors to the Borough with the proven quality emergency response care that is not only required in this day and age but also that they have become accustomed to depending on. The creation of the [10] Ambulance Fund was the result of inter-municipal meetings/planning that began in 2021. Facing budgetary constraints and unprecedented staffing shortages the various Municipalities and County discussed and explored all options available to provide the emergency services they are required to provide. Currently, Second Alarmers Rescue Service answers upwards of 450 emergency calls per year within the Borough as well as covering special events like the 5K Sunset Run, the Art’s Fest and are a valued member of our community. Council is pleased to have worked toward this resolution and look forward to many more years of quality emergency service.

Across all funds that required an adjustment in millage to be considered balanced a total of 1.1 mill increase (11%) was required, on an average assessed property of \$150K that is equal to \$166.50.

All Budget Funds that are assigned Real Estate Tax millage are now in a positive fund balance that fall within recommended Government accounting guidelines and will not need further attention this budget cycle.

In this light, I’d like to present to Borough Council the Proposed 2023 Borough Budget, totaling \$8.2 million dollars.

2023 total assessed valuation, provided by Montgomery County is \$285,388,039. The tax millage is allocated as follows, based on a 98% collection rate:

General Fund	8.07 mills	\$2,211,879
Street Light Fund	0.202 mills	\$55,366
Fire Protection	0.680 mills	\$186,379
Fire Apparatus	0.110 mills	\$30,150
Library	0.826 mills	\$226,396
Ambulance Services	0.050 mills	\$13,704
Street Tax	0.265 mills	\$72,633
Debt Service	0.960 mills	\$263,123
Total Real Estate Tax millage	11.163 mills	\$3,059,630
